Coffee Morning

Taking place on Friday 2nd November at Apex Primary School. On this day, we would like to welcome all our Apex mums to come and join a day to relax, meet other parents and have a cuppa.

Absences

If your child is absent for whatever reason, please contact the school via:

<http://apexprimary.co.uk/home/parents/student-absence-form/>

to confirm their absence. Please note that if we are not informed by 3pm that day, your child will be marked as unauthorised.

Headteacher drop in sessions

We offer headteacher drop in sessions every Monday from 2:30pm - 3:00pm. These do not need to be pre-booked, however please email the school if you would like to have a meeting. For any other queries or concerns regarding your child's learning, we kindly ask you to message your child's relevant class teacher via Class Dojo and they will get back to you in due course. Alternatively, please speak to your child's teacher during drop off.

School phone

We do not respond to any text messages or calls as our school phone is used for outgoing communication only. Should you have any questions or concerns, please email the school or call the school landline. Our school office hours are Monday - Friday from 8:15 am until 3:30 pm.

Holidays

Holidays will not be authorised during term time unless there are exceptional circumstances which have to be authorised by the school at least 4 weeks in advance.

More information is on our website under Policies. Alternatively, please click on the following link:

'NO NUTS'

We are a strict NO NUT school.

Please refrain from giving your child any type of nuts or food containing nuts. If your child is seen with nuts during their snack or lunch break it will be removed from them and disposed safely.

Park & Walk Policy

Every morning, staff assist pupils out of cars and into the school, however if you wish to bring your child into school yourself, then please park appropriately and safely in a suitable spot such as a parking bay. Please refrain from parking in front of driveways as this is inconsiderate to the neighbours and the community.

You can refer to our policy below for more information:

It is November! Cut your Carbon is finally here! As part of our Eco-Committee, we will be focusing on cutting our carbon this whole month. A lesson has been delivered to all children as awareness. Children have all been given a checklist to take home and keep track of. We would like to see everything ticked off by the end of November to minimise our use of carbon as much as possible!

Masha-Allah to our school shura members this year:

- Sofia Hussein & Idrees Ali in Y1
- Raahim Sufyan & Inaaya Wahid in Y2
- Alina Hassan & Hisham Miah in Y3
- Umar Hassan & Izzah Usman in Y4
- Saara Mahmud & Dawud Hussain in Y5
- Ahmed Khanji & Khadija Mohammed in Y6

Did you know?

- A glass bottle can take up to 1 million years to decompose.
- Recycling one glass bottle saves enough energy to power a normal light bulb for about four hours.

This month, children took a trip to our local food bank in Jubilee Church and donated some food. They also had an interesting insight as to where the food goes and how it gets donated.

Children were so curious and engaged, they had 1001 questions to ask!
